

Our Dental Plan

The Foutz Family Dental Plan is an annual dental savings plan, allowing non-insured individuals and families to receive quality dental care from Foutz Family Dental at a discounted cost. This in-office plan is NOT dental insurance but an alternative for our patients who want excellent dental health coverage without the barriers of traditional dental insurance. By eliminating the middle man and reducing administrative costs, we can offer the Foutz Family Dental Plan to patients for a very affordable annual membership fee. Benefits of the plan include:

- No deductibles
- No annual maximums
- No waiting periods
- No limitations on pre-existing conditions or replacements
- No exclusions on cosmetic services
- No pre-authorizations required

There's no ID card and no member number to bring. All your membership information will be kept in your electronic record. It's easy!

Participants are eligible to receive plan benefits immediately upon payment of the enrollment fee. Children through the age of 13, in the same household, may only enroll in the plan as a dependent of an adult member.
